

LE FRUIT DÉFENDU

PINOT NOIR 2024

Vin de France, VSIG, France

New! Pinot Noir for the Forbidden Fruit: pleasure guaranteed!

PRESENTATION

After 25 years of success, the Forbidden Fruit family is expanding to showcase single varietals. Still plenty of fruit and enjoyment.

TERROIR

We buy grapes from neighboring winemakers on predominantly clay-limestone terroirs.

IN THE VINEYARD

The vineyards are worked in accordance with the rules of the art, always with the greatest respect for the environment.

WINEMAKING

Vinifications with very little extraction, the goal is to express the fruit: short macerations (about ten days).

AGEING

Breeding in cement tanks to preserve the fruit.

VARIETAL

Pinot Noir 100%

13.5 % VOL.

Contains sulphites.

SERVING

Serving temperature 14 -16°C

AGEING POTENTIAL

2 to 3 years

TASTING

A true Pinot Noir full of charm and delicacy; on the nose, we find cherry and Morello cherry, in the mouth a lot of fruit and a light structure with soft tannins.

FOOD PAIRINGS

This is the wine for all occasions and all simple dishes, it will pair perfectly with fish, poultry, and other white meats.

CLASSIC FOOD AND WINE PAIRINGS
