

LE FRUIT DÉFENDU

LE FRUIT DEFENDU Vin de France Blanc 2023

Vin de France, VSIG, France

The White version of the famous Forbidden Fruit.

PRESENTATION

In the spirit of Le Fruit Défendu (the Forbidden Fruit) : the blend of Grenache for the body, Colombar for balance and freshness, and Muscat for its aromatic and baroque side gives this wine its unique character.

TERROIR

We buy grapes from neighboring winemakers on predominantly clay-limestone terroirs.

IN THE VINEYARD

The vineyards are worked with great respect for the environment, following the rules of the art. Machine harvesting is used to allow for night harvesting.

HARVEST

August 20th

WINEMAKING

Everything is pressed separately, the musts are settled at low temperature, fermentation at 16-17°C in stainless steel tanks, light filtration before bottling.

AGEING

In stainless steel tanks, early bottling.

VARIETALS

Colombar, Grenache blanc, Muscat blanc à petits grains

SERVING

Serving temperature 12°C

AGEING POTENTIAL

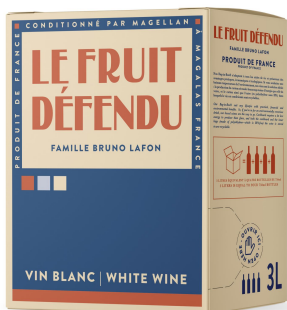

2 to 3 years

TASTING

Notes of citrus, in the mouth a good freshness and aromatic touch brought by the muscat.

FOOD PAIRINGS

To be paired with seafood with flavors of Southeast Asia such as lime, chili, and coriander or Thai fish cakes. Try it with dishes accompanied by pea purees.
